

Kick start your equine career

NEW ZEALAND CERTIFICATE IN EQUINE RACING (LEVEL 2)

In conjunction with industry, Primary ITO developed the New Zealand Certificate in Equine Skills (Level 2) which is suitable for those working in an equine facility with little or no prior experience with horses.

When you enrol in this programme, you will learn the essential fundamentals of caring for horses, from day-to-day care routines, through to understanding horse behaviour and how to become an effective part of your equine team.

NEW ZEALAND CERTIFICATE IN EQUINE RACING (LEVEL 2)

Learning outcomes include:

- Participate as part of a team in an equine workplace.
- Care for horses in stables and/or yards under close supervision.
- Prepare horses for travel, load and unload under close supervision.
- Care for a group of horses in the paddock or yards.
- Apply knowledge of health and ill health of horses and procedures to follow in an emergency.
- Carry out routine minor maintenance of horse paddocks and/or equine facilities under close supervision.

For more information and to enrol, please contact your local equine specialist as listed below.
